ABOUT ME

As a life-long learner, I'm constantly researching and exploring new technologies and am always working to expand my knowledge base. I'm excited by creating polished applications and fascinated with putting together the puzzle of code

TECHNICAL EXPERIENCE

Thinkful Full Stack Student
In addition to the skills outlined on the right, I am currently studying React, Jest, and Node.js. This fullstack program teaches JavaScript and CS fundamentals through project based learning

Web Applications | Thinkful Projects
Multiple web apps that utilize HTML, CSS, JavaScript, jQuery. Samples and live pages are available in my portfolio
